

Combination of Tube Design

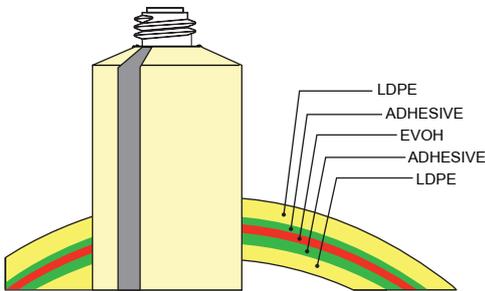

Diameter (mm.) Content (ml.)	Length of Tubes (mm.)								
	D.16	D.18	D.22	D.25	D.30	D.35	D.38	D.40	D.49
3	40								
5	50	45							
7	55	50							
10	70	60							
12	75	65							
15	95	80	65	50					
20		90	70	65					
25		100	85	75					
30			105	90	70				
35			120	100	75				
40				110	80	70			
45				120	85	75			
50				125	95	80	70		
60					110	90	75	70	
70					125	100	90	75	
80					145	115	95	90	
90					155	125	115	95	
100					165	140	120	115	
110						145	125	120	85
120						155	135	125	90
130						165	145	135	100
140							155	145	105
150							165	155	110
175							175	165	125
200								175	145
250									170
275									180
300									195

Round Tube

Oval Tube

Single layer tube is available for all diameters

2 - Layer tube is available for diameter 22,25,30,35,38,40,49

3 - Layer tube is available for diameter 22,30,35,38,40

5 - Layer tube is available for diameter 22,30,35,38,40
